

PRESIDENCY OF THE REPUBLIC

COUNCIL OF THE INVESTMENT PARTNERSHIPS PROGRAM OF THE PRESIDENCY OF THE REPUBLIC

RESOLUTION Nº. 11, AUGUST 23, 2017

It advocates the qualifying of federal public undertakings of the electric power, oil and natural gas sectors within the scope of the Investment Partnerships Program of the Presidency of the Republic - PPI for performance through partnership contracts with the private sector.

THE COUNCIL OF THE INVESTMENT PARTNERSHIPS PROGRAM OF THE PRESIDENCY OF THE REPUBLIC, under the authority conferred on it by Article 7, **head provision**, Item I, of Act 13,334, from September 13, 2016,

Considering the need to allow the federal public administration to concentrate its efforts on activities in which the presence of the State is fundamental for the achievement of national priorities;

Considering the need to expand investment and employment opportunities in the country and to stimulate national technological and industrial development;

Considering the need to expand the quality of the public infrastructure and to give priority projects a priority treatment under the legislation;

Considering the need to rescue the market confidence in relation to Government projects, to strengthen governance of the decision-making process and to propose solutions that lead to the attraction of more investments, jobs and income;

Considering the need to ensure the supply of electricity in an efficient manner and at the lowest price for the Brazilian society and to enable the flow of investments in the electric power sector, in order to provide the connection of more regions to the National Interconnected System (SIN);

Considering the need to attract investments to the oil and natural gas sectors and to develop national reserves, in order to generate wealth for the country; and

Considering the rites and consolidated regulatory practices in the electricity, oil and natural gas sectors and the characteristics of related ventures;

HEREBY DECIDES:

Art. 1 To advocate and submit to the deliberation of the President of the Republic

PRESIDENCY OF THE REPUBLIC

COUNCIL OF THE INVESTMENT PARTNERSHIPS PROGRAM OF THE PRESIDENCY OF THE REPUBLIC

the following federal public undertakings in the petroleum and natural gas sectors for qualifying within the scope of the Investment Partnerships Program of the Presidency of the Republic - PPI and for performance through partnership contracts with the private sector:

- I - third round of block bids under the production sharing regime in the pre-salt area;
- II - fourth round of block bids under the production sharing regime in the pre-salt area;
- III - fifteenth round of block bids for exploration and production of oil and natural gas under the concession regime; and
- IV - fifth round of bids for areas with marginal accumulations.

Art. 2 To advocate and submit to the deliberation of the President of the Republic for qualifying within the scope of the PPI and for execution through partnership contracts with the private sector the electric power transmission facilities, object of Transmission Auction No. 2/2017 of the National Agency of Electric Power - Aneel.

Art. 3 To advocate and submit to the deliberation of the President of the Republic for qualifying within the scope of PPI and for execution through partnership contracts with the private sector the Jaguará Hydroelectric Power Plant.

Art. 4 The compliance with the recommendations set forth in Resolution No. 1, dated from September 13, 2016 of the Council of the Investment Partnerships Program of the Presidency of the Republic - CPPI is waived for the projects referred to in this Resolution.

Art. 5 The estimated schedule for the implementation of the bids for the projects referred to in this Resolution is set out in the Annex.

Art. 6 This Resolution shall come into effect on the date of its publication.
